## Museum of the Dog Weekend

St. Louis, Missouri

March 27-29, 2009

Join us for a fun-filled weekend of art, beauty and canine camaraderie in St. Louis. The highlight of our weekend is an excursion to the AKC Museum of the Dog. The AKC Museum of the Dog is dedicated to the collection, preservation, exhibition, and interpretation of the art, artifacts and literature of the dog for the purposes of education, historical perspective, and aesthetic enjoyment and to enhance our appreciation for and knowledge of the significance of the dog and human/canine relationship. On Saturday, March 27, Metro member William Secord, the founding director of the museum and Museum Director, Barbara Jemma McNab, take us on a private tour of the museum dedicated to the love and devotion of our beloved dogs. Lunch is served at the museum after our lecture and tour.
